Lancaster County Timber Frames
13 Lakewood Ln.
Lititz, PA 17543

Dear Amy Weaver:

Enclosed are some photos of our home. Although you can see we haven't fully finished it yet, we love our home. It's a testament to its beauty that everyone who visits is drawn to the timber frame; people don't even tend to notice the house has no doors and the fireplace isn't finished!

Tell everyone we say "hi" and thank you so much!

Sincerely,
Patricia McCabe
