Dear Tony and the Lancaster County Timberframe Team,

Diane and I would like to thank you for the wonderful experience of designing, carving, and raising our Timberframe home. It was a real pleasure working with you, Josh, Amy, and Joe.

We are extremely pleased with our frame. The handcrafted quality of your joinery is what attracted us to Lanaster County Timberframes. We were not disappointed.

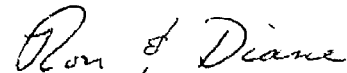

A special thanks to you and the team for meeting our timing requirements. We know your production time and installation crews were booked solid, but you were gracious in accommodating us.

We enjoyed working with and entertaining the raising crew. Many thanks to Joe, Andy, Patrick, Josh, Eric, and Jeff. We hope they enjoyed themselves as much as we did.

We look forward to completion and the day we can move in and enjoy the grace and beauty of our Timberframe home. Please come up and visit.

Once again, our sincere thanks.

Sincerely,

Ron and Diane
