

Just wanted to thank you guys once again
for the outstanding job on the trusses. We
are so pleased with them. Simply fantastic!
We receive nothing but compliments on how
magnificent they are. We think the house will
be complete around the end of July or early
August. So we will have a complete line of
photos for youz. We will probably hand deliver
them. Once again thank-you for hanging
in there with us.

Joe & Sue
