RE: Gulph Mills Golf Club Clubhouse Addition & Renovation Project - Letter of Commendation

Dear Josh:

This letter serves as our small token of appreciation for Lancaster County Timber Framing excellent performance for this mainly large Timber Framed Timber Structure Addition to the \$1.5 M Gulph Mills Golf Club Clubhouse Addition & Renovation Project. We appreciate your company's full cooperation in meeting the very high quality demands on this very visible addition.

Your company attention to detail was superb. Your work was installed in the very tight few weeks allotted.

This project is being nominated for the Southeastern Pennsylvania Associated Builder's & Contractor's Building Excellence Award. We will let you know how it turns out.

Your company's commendable effort is one of the factors for the job's final success. Your mechanics should all be proud on how well the project came out. I know the Gulph Mills members will be enjoying it for years

It will be a pleasure to work with Lancaster County Timber Framing on future projects.

Sincerely,
Ehret Construction Co., Inc.
